PATTERSON
HIGH
SCHOOL

WELCOME
TO
PATTERSON

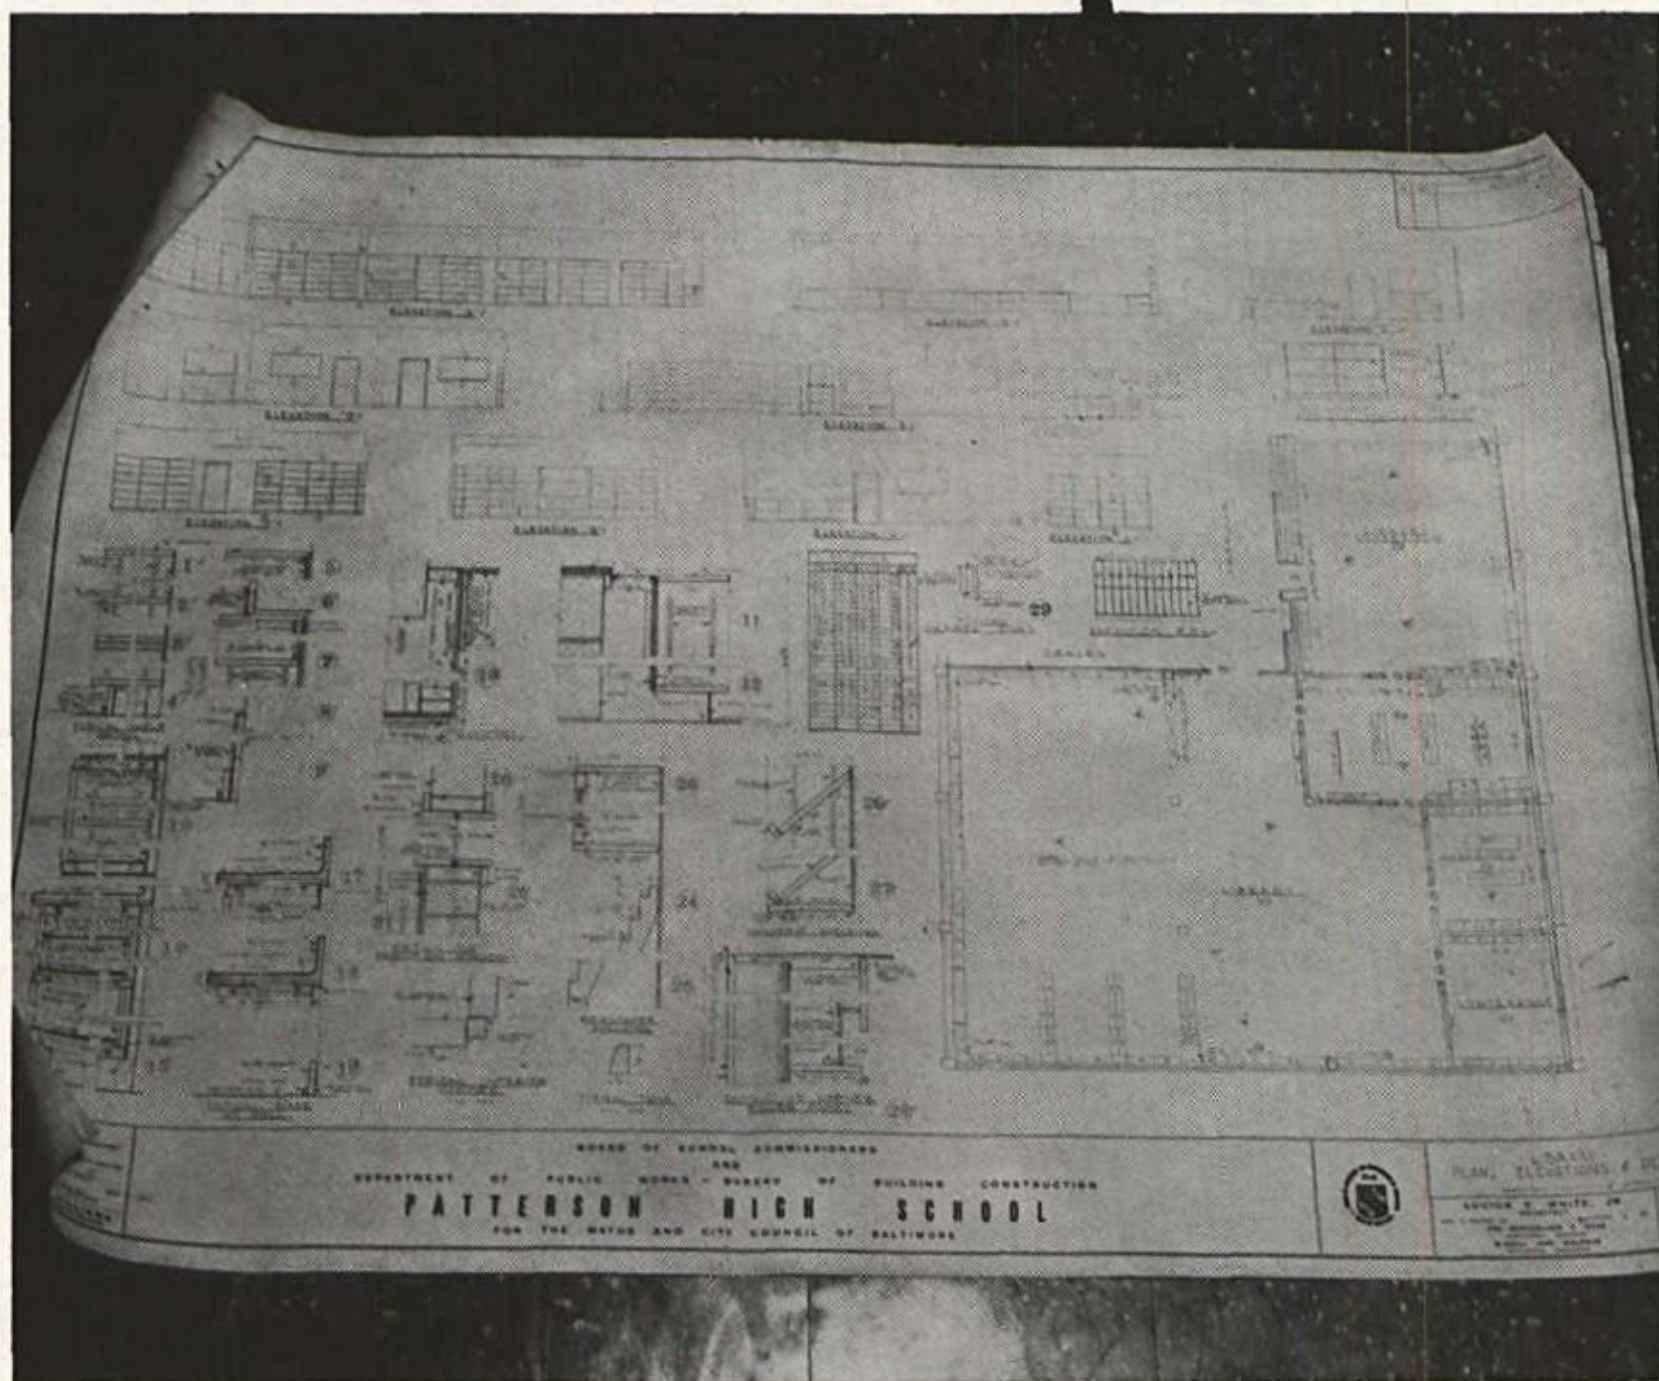

FOREWORD

For several years members of the community had anxiously awaited the building of a new institution of learning which they could call their own. In September of 1960, the doors of the new Patterson High School were opened. Time, money and hard work had finally made possible the long awaited "Dream Come True."

DEDICATION

To those who made it possible for Eastside students to attain the best education in the best school, we dedicate this, our 1961 "CLIPPER."

PLANS for a Dream

The design for a dream . . .

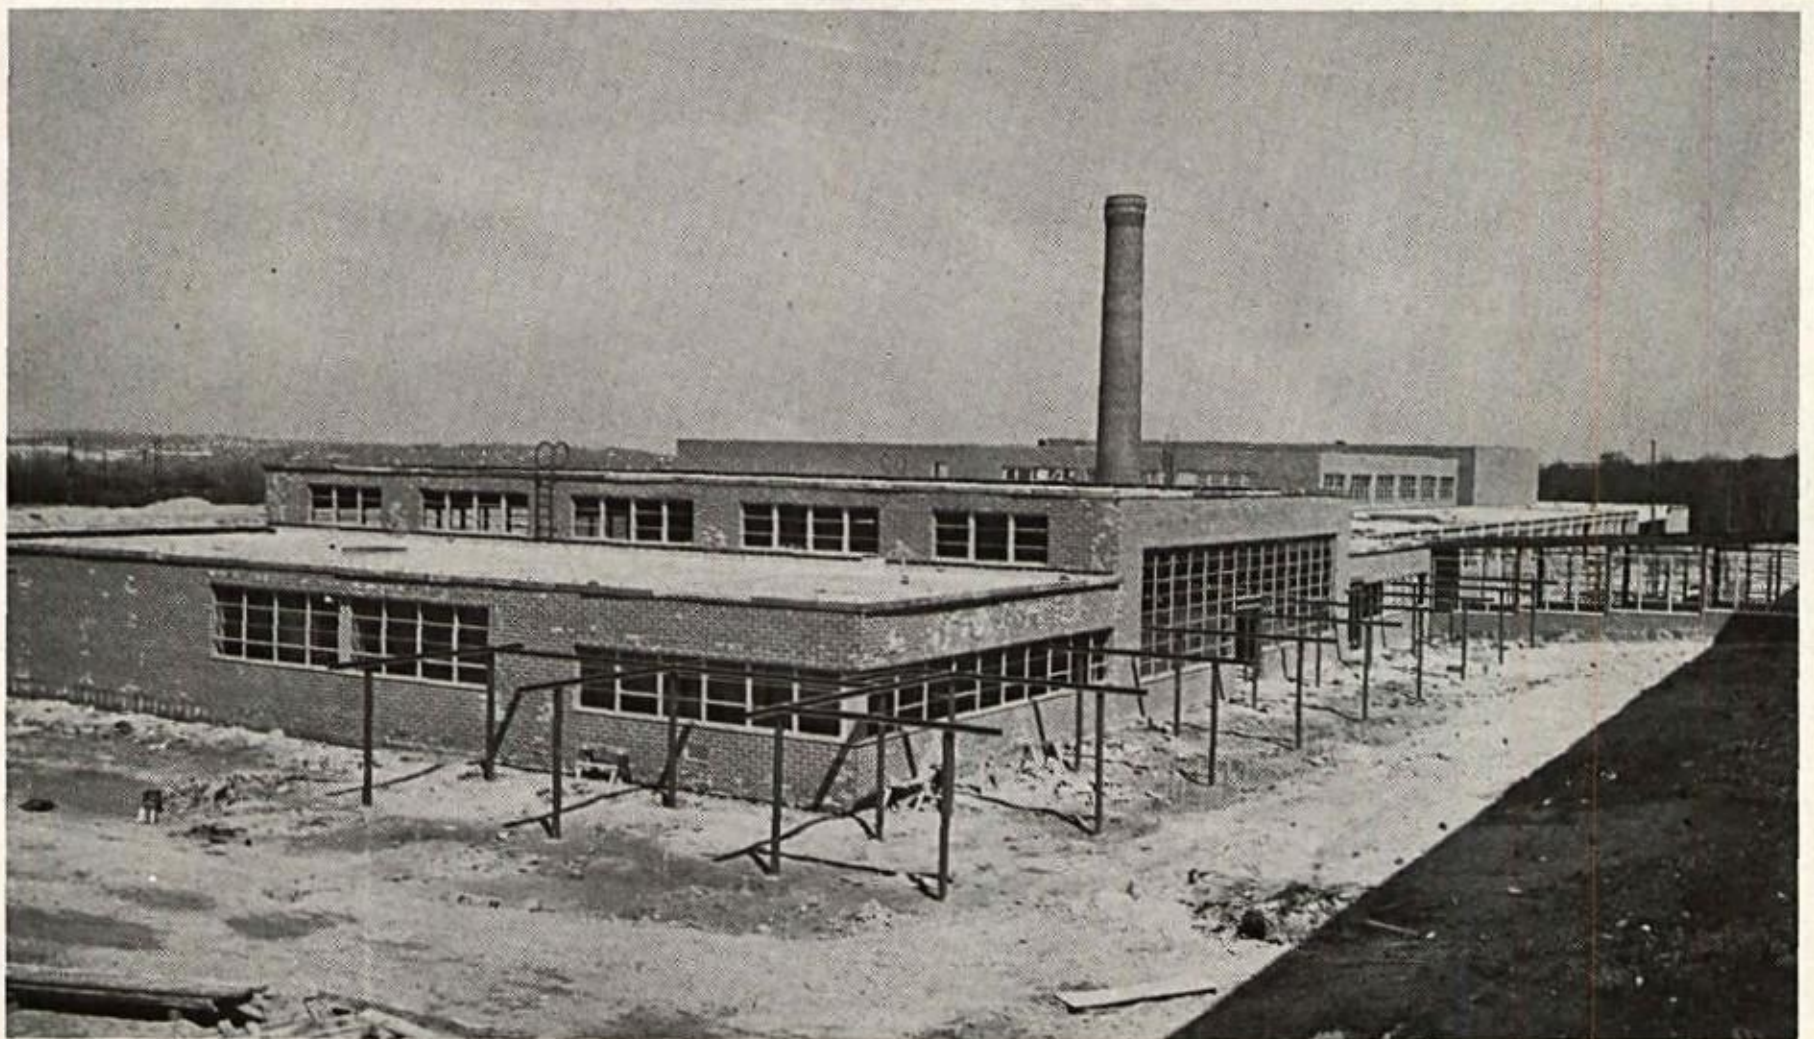

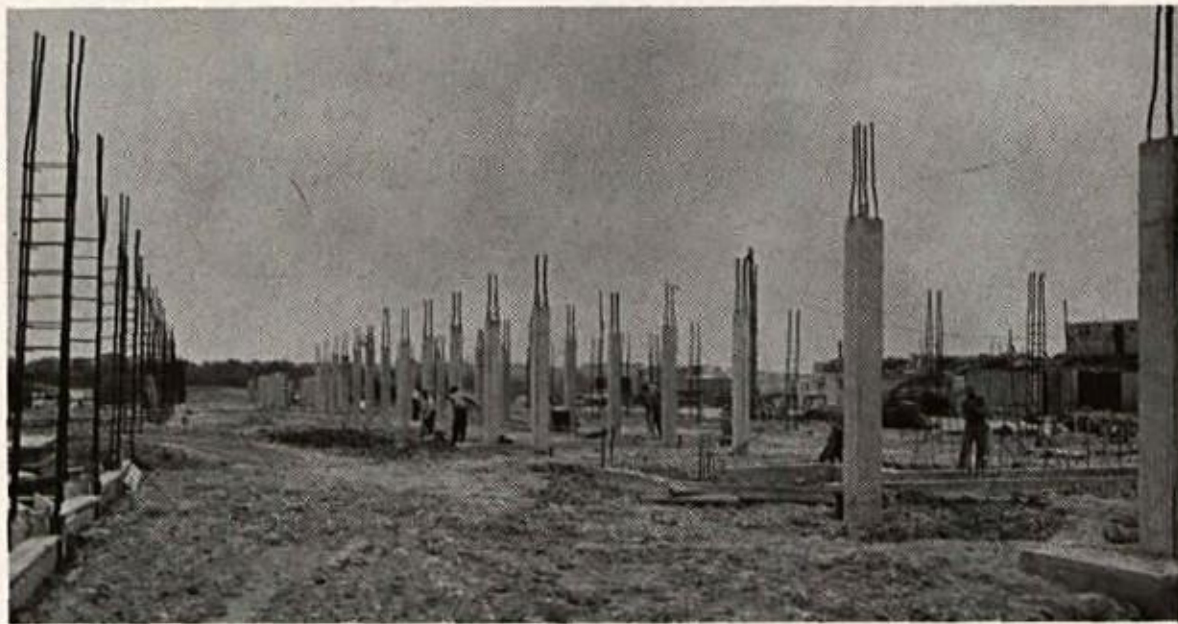

Blue prints, drawn by Mr. Woelper and the construction engineers, included new, modern, useful facilities for the school.

On September twenty-seventh, 1957, at the northeast corner of the City Hospital grounds, the new location for Patterson, the groundbreaking ceremonies took place.

. . . took time and hard work . . .

. . . to become a reality.

The keys to the school were given to our principal, Mr. Woelper, and the new Patterson High School was officially opened for the students of Baltimore. The design was finished; the dream, a reality. The school included a pool, science labs, home economics facilities, a language lab, and many other new things. It was a tribute to those who worked for it; a challenge for those using it.

A model for others to follow, . . .

Ready for use, the new building awaits its occupants.

On September 6, 1960, students came to the new Patterson. The school day is from 9:30 A.M. to 3:00 in the afternoon. Everyone cooperates to keep the new Patterson new.

. . . it commands our greatest respect.

THIS
Is Our Patterson.

ADMINISTRATION AND FACULTY

MR. G. GORDON WOELPER

Principal of the "Dream Come True" is Mr. G. Gordon Woelper. His avid interest and zeal have made the Patterson High School faculty and student body a smooth running, closely knit organization. Diversified and wide spread as his duties may be, Mr. Woelper is always in close contact with any problem concerning the student body.

MRS. DOROTHY SCHWATKA

Our smiling, affable vice-principal. Always cheerful, she has the knack of making one feel that she is never too busy to listen to one's problems. In addition to concerning herself with the girls, Mrs. Schwatka is responsible for all matters pertaining to schedules.

MR. ABRAHAM GRANEK

Welcome to our new vice-principal. Understanding and warmth have made Mr. Abe Granek a friend among friends at Patterson. In dealing with the boys, his is the position of confidant and advisor, which always brings about a closer relationship with the students.

PHS SONG FOR FEBRUARY '61

Oh Patterson, to you we sing,
Our praise for you will ever ring;
The Class of '61 are we,
And loyal we will ever be.
Our colors blue and gold unfurled
Will spread your fame through out the world.

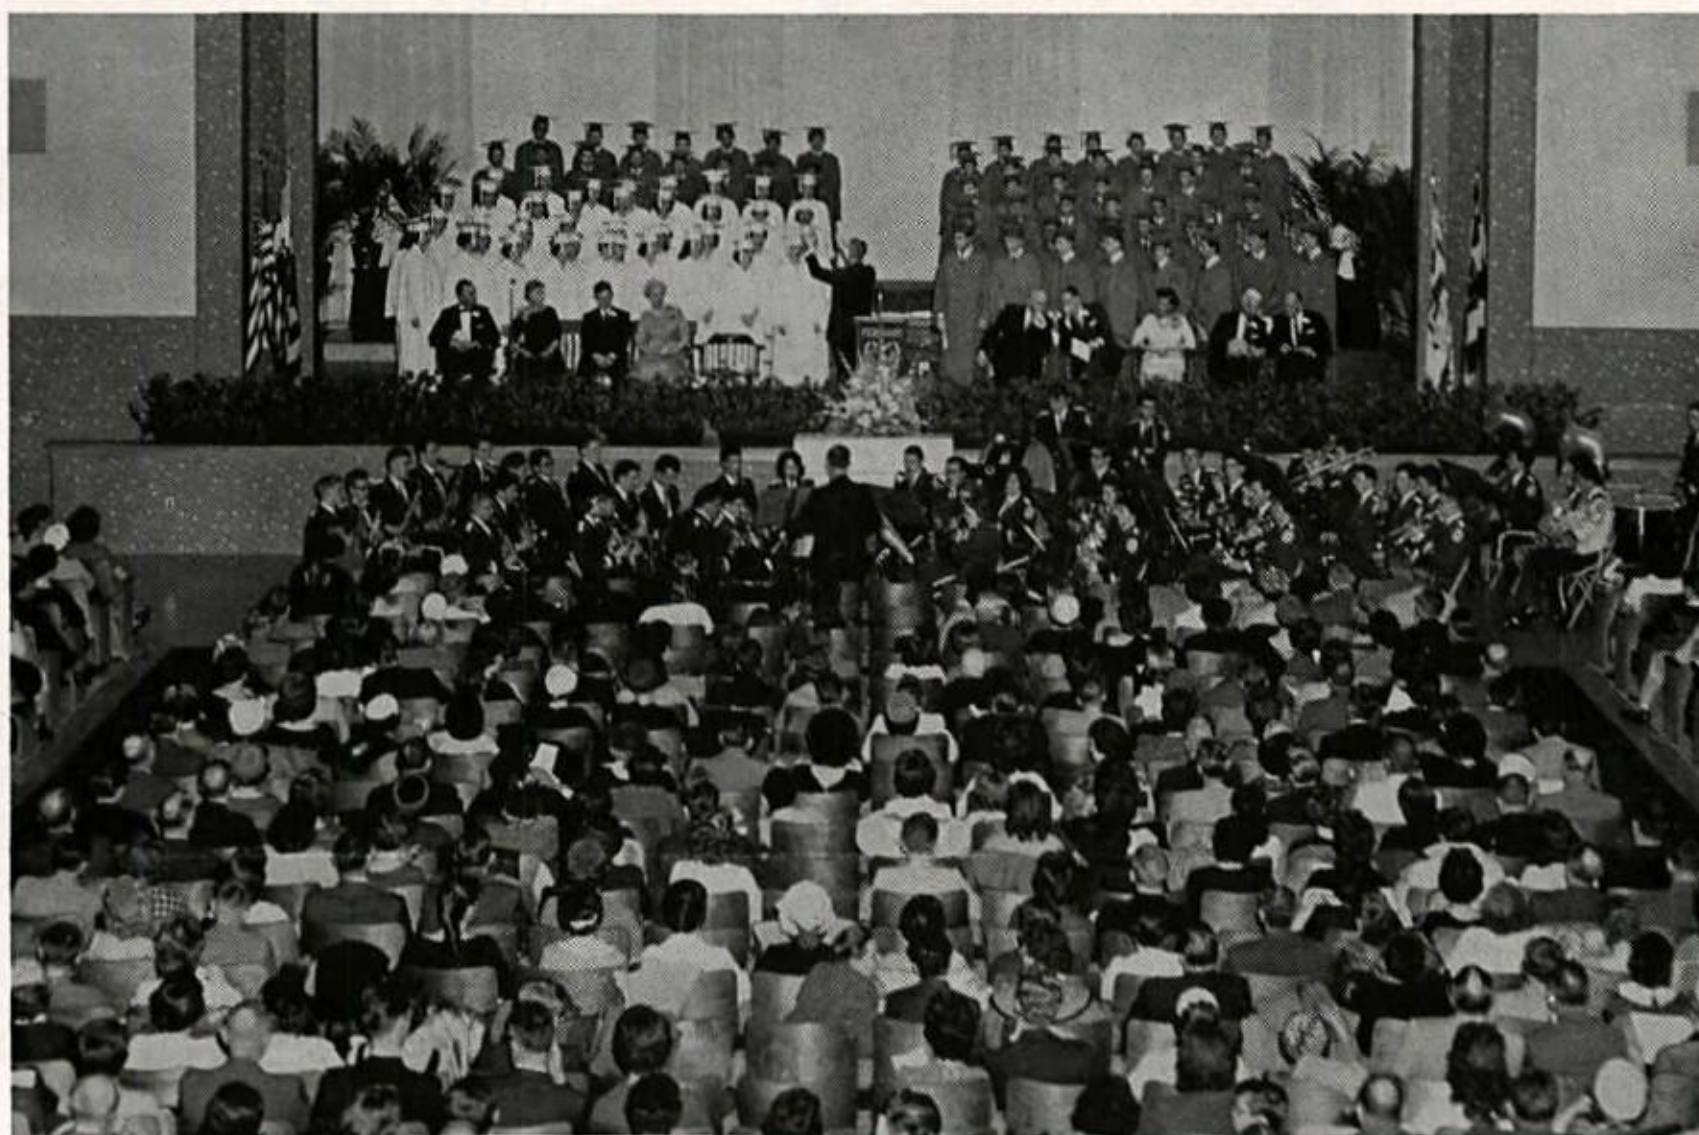

We'll not forget the memories dear
Of all the years that we've spent here;
Oh blue and gold, our colors bright,
Will stand beside your blue and white.
Our guiding light in years to come,
You'll be our school, dear Patterson.

Farewell, February Grads!!!

PHS SONG FOR JUNE '61

We are the class of '61;
We're pledging our unity.
Our banner flying true and free
Will guide us to loyalty.
The goal of success
We'll strive to possess;
The green and the gold
We dearly hold.
And through the years we'll faithful be
To the class of '61.

We'll sing our praise to Patterson
Wherever we chance to be,
The Clipper Ship, our emblem true,
Will steer us to honesty.
The friendships we make
We never will break,
Our work and our play
With us will stay.
And in the future we will be
So loyal to Patterson.

Our Junior Prom

Never to be forgotten is the dreamy music of Senator Bertorelli's Band on that eventful night.

We Bid . . .

The seniors entertain at their assembly program.

Jay Magsamen and Barbara Wiseman are the proud recipients of scholarship awards.

The senior luncheon brings the day to a happy and eventful end.

"Aloha"

Seniors anxiously await the beginning of the program that marks the end of their stay at Patterson High School.

The long-awaited time has finally arrived.

Officers sign the traditional log book.

The bells of memory ring,
To you, dear Alma Mater,
Together now we sing.
Oh, Patterson, we love you;
Your fame we hold so high,
We'll always be true to you,
And praise your name for aye.
